

Dear Si-Fu Alfredo & Si-Mo Rachel,

Just a note to say thank you for having me at your school for those couple of weeks, what a tremendous way to get that first exposure. I loved the whole thing, your enthusiasm, professionalism and patience made it easy to just get in there and try despite looking like a clumsy slow learner. The feel at the school was so friendly and encouraging. The videos I got from you are good to practice with and also feel still connected and keep some of that energy going.

Anyway its been a great introduction all I had hoped for as well as being good fun and now its a matter of organizing things to do more of it. Thankyou both and I look forward to learning more in the future.

Regards Peter Crombie
